Fountain Show Dubai

The most mesmerising and enchanting performance you can watch in Downtown Dubai is unquestionably the Dubai Fountain show! Every night, thousands of onlookers are drawn to this enormous and brilliant dancing fountain by the amazing display of light and water. The Dubai Fountain show is without a doubt one of the top attractions in Dubai and is present in the city's trendy centre, at the base of the Burj Khalifa and just adjacent to the Dubai Mall.

What is Dubai Fountain Show?

You can immediately picture a fountain whose jets move to the beat of the music if you've ever seen a dancing fountain. Okay, now visualise a fountain that is approximately 900 feet (300 metres) long and can shoot water as high as a 50-story structure. It resembles the **Dubai Fountain** in various ways. A gigantic, striking, amazing dancing fountain, is one of the most incredible things ever. WET Design also designed the Bellagio Fountain in Las Vegas, who created the Dubai Fountain, which is present amid Burj Khalifa Lake and close to the Dubai Mall. [More...](#)
